Dear Sir:

Your letter of the 25th is at hand. If you will ket me know a little more specifically the field in which you are particularly interested I can then reply in greater detail. I presume you mean United States coins but should like assurance on that point.

We should be very glad to welcome you as a member of our Society. The annual dues are $5.00 and I enclose a membership card in case you consider favorably this invitation to ally yourself with our organization. I also enclose a list of our Monographs,which are usually issued to the number of three or more a year, and the value of which usually is greater than that of the dues.

Awaiting your response, I am

Very truly yours,
